<b>Working Title</b>	Assistant Professor of Sociology
<b>Position Number</b>	4017
<b>Position Allocation Type</b>	Replacement
<b>CIP</b>	4511 - Sociology
<b>Location of Workplace</b>	Main UNCW Campus
<b>Brief Summary of Work for this Position</b>	<p>The Department of Sociology and Criminology is seeking to hire a nine month, tenure-track sociologist at the Assistant Professor level starting August 2024. Upon initial appointment, the successful candidate will teach a variety of undergraduate and graduate courses in the program's curriculum. Further, the successful candidate will write grants, advise students, and provide community engagement and professional service.</p> <p>This position carries a teaching load of three courses per term while maintaining an active research agenda in their specialization area. The position also includes the opportunity for additional summer school teaching. The selected candidate should have the potential for innovation and leadership in teaching, research and service. We are seeking to hire a sociologist who complements our existing strengths in public and applied sociology.</p> <p>The Department of Sociology and Criminology is committed to increasing knowledge of human societies from a broad diversity of perspectives and experiences, and believe that our students, our faculty, and our curricula are essential elements in that vision. We are seeking a colleague who shares that commitment and is interested in being an integral part of the department.</p>
<b>Minimum Education and Experience Requirements</b>	Candidates must possess a PhD in sociology or a related discipline, prior to August 1, 2024. <b>Note:</b> ABD will be considered; however, PhD must be obtained within the first academic year of employment.

<b>Preferred Education, Knowledge, Skills &amp; Experience</b>	<p>Preference will be given to candidates with:</p> <ul style="list-style-type: none"> <li>the ability and interest in teaching quantitative data analysis and/or program evaluation at the graduate level, as well as other core courses at the undergraduate and graduate levels.</li> <li>teaching and research specializations in one or more of the following areas: social inequalities (broadly conceived), technology, and/or urban sociology.</li> <li>experience in innovative methods and working with culturally diverse populations are especially encouraged to apply.</li> </ul>
